

The Globe Quits Business and An Event Never to Be Forgotten.

EVERYBODY IN RICHMOND NOW KNOWS THAT THE GLOBE IS GOING OUT OF BUSINESS—and everybody ought to know that the chance of a lifetime is offered to buy high grade Clothing and Furnishings at prices never before dreamed of.

You know that we can't keep these goods—for we have no place to store them—and if we sell them at auction we will get nothing for them. So, rather than give them away to dealers who would sell them over again, we have literally slaughtered former selling prices and in many instances cut deeply into wholesale costs.

The Globe Is Selling Out, But Every Goods Will Be Exchanged or

643 Men's Suits

Formerly Priced at \$60, \$57.50, \$55 and \$50.00—Take Your Choice at.....

\$34.75

258 were formerly \$50.00
169 were formerly \$55.00
127 were formerly \$57.50
89 were formerly \$60.00

Most of these are all new models and fabrics, bought for this season's selling. Just the styles for young men and men who want the finest of everything. Smart models, rich and tasteful patterns, and all-wool materials. Six hundred and forty-three garments in all that we must dispose of in the shortest possible time.

Remember, these are all high-grade Suits and of the most recent styles.

Suits in Broken Sizes

Here are Suits that formerly sold up to \$35, and they consist of the most popular patterns and models of the season.

There are only 262 in the lot—and the sizes range from 33 to 44 only.

The fact that we have these in broken sizes only proves that they are all desirable garments in both style and quality.

727 Men's Suits

Formerly Priced at \$47.50, \$45.00 and \$40.00—Take Your Choice at.....

\$28.75

335 were formerly \$40.00
244 were formerly \$45.00
148 were formerly \$47.50

Even at their original prices, these Suits were unusual values, but you can buy them now almost at half price. This is the opportunity of a lifetime to buy good clothing and save money—and we hope that every man who needs a Suit will be quick to attend the sale. The price we are asking now would scarcely pay for the tailoring alone a year ago—and if you will look around the city you will see that the reductions are almost unbelievable.

Youths' Suits

Grades formerly sold by us up to \$25.00; not all sizes in every pattern, but look at the price. Think of being able to buy a \$15.00 or \$25.00 Suit for nine-seventy-five. But we must sell the stock—and we cannot afford to consider value or cost. We must offer these Suits at a price that will hurry them out—and this ought to do it.

683 Men's Suits

Formerly Priced at \$37.50, \$35.00 and \$32.50—Take Your Choice at.....

\$23.85

304 were formerly \$32.50
232 were formerly \$35.00
147 were formerly \$37.50

Considering the price we have put on these—and the prices at which they were formerly offered—it would pay every man to buy at least two Suits, for you can buy two in this sale for almost the former price of one. Included in this lot are all kinds—blues, fancy mixtures, and plain black; clothing bought for this season's selling, and therefore possessing the latest style touches.

Two-Piece Suits

These are Tropical Worsteds, Priestly Mohairs and Genuine Palm Beach Suits. They are all perfect and new, but they are offered in broken sizes only, and for that reason we have marked them at a price that is nothing less than sensational. They are grades that were formerly priced in our own store up to \$16.00—and you may have them while the lot lasts at
